

## 25<sup>th</sup> Refining & Petrochemicals Technology Meet (RPTM) Topics

The deliberations in this meet shall focus on following topics;

- Aligning Refineries for sustainable future and diversification.
- Refinery Integration with Bio Refining
- Petrochemicals towards Sustainable future
- Crude to chemicals
- Biofuels
- Moving towards Hydrogen Economy
  - Generation from Renewable Sources
  - Carrier of Energy
  - Fuel for Future
- Changing Energy Landscape
- Reduction of water foot print –Guiding Sustainable Operation Philosophy
- Benchmarking (Energy /Environment/Pipelines/ Safety)
- Advances in Refining Technologies and catalysts
- Environment Management
- Innovations
- IR 4.0
- Safety in Petrochemical units
- Gasification of coal, Petcoke, Biomass & Refinery Residue.

## Sponsorship Details Below

<b>Sponsor Category</b>	<b>Sponsorship Amount, INR</b>	<b>Complimentary Delegate Registration (Nos)</b>
Platinum	15.0 Lakh	50
Diamond	12.0 Lakh	30
Gold	9.0 Lakh	15
Silver	6.0 Lakh	8
Pearl	4.0 Lakh	4

**Note: Additionally 18% GST is payable by the Company.**
