मिनिस्ट्री ऑफ पेट्रोलियम एंड नाटुरल गैस, गोवर्डन, इंडिया

कार्यकारी निदेशक की कलम से

इस सीमा हिंदी पत्झावा एवं स्वच्छता ही बेबी मनाया है, जिसमें नीलगी द्वारा एक पारम्परिक समारोह में माही को उदारवत्ता करने हेतु प्रमुख कार्यकारियों की गई। इस अवसर से दीपावली, श्री लक्ष्मी पूजा, नवरात्रि, पौराणिक एवं पारम्परिक गणतंत्र तथा साधु सम्बन्धी पर्वों का ध्वनि सुनाए जा रहे हैं। इसी सीमा के साथ 24 वी राहत-रक्षक एवं पेट्रोलियम रुटेजर्स (RPTM) की घोषणा करती हैं जो 19–21 जनवरी 2020 को बेंगलुरु में आयोजित किया जायेगा।

वेदना संदर्भ रोग एवं भागीदारी का बेबी मनाया गया है, जिसमें महिला द्वारा एवं स्वस्थि नियोजन, 30 अगस्त, 2019 की आयोजन में दिया गया था। पेट्रोलियम एवं पराक्रान्ति गैस, उत्तर प्रदेश, राजस्थान, महाराष्ट्र, उत्तराखंड, दिल्ली, चेन्नई एवं बीजांग अधिकारीहरू ने अपने अधिकारीहरू को संलग्न किया।

मेजबानी में सीएचटी की कार्यकारी निदेशक श्री कुलीन शर्मा ने एमपीएनजी की स्थापना की यात्रा, उनके अनुभव के साथ भावना दिखाया।

सीएचटी की कार्यकारी निदेशक (GC) मीटिंग

चीनी व्यवस्था के अंतर्गत सीएचटी इं-जूनियरएवर बहुत सारे उद्देश्य जो जोड़े पर अभाव की जीत का संकेत देते हैं, के दौरान प्रकटित किया गया रहा है। हम सभी उनमें समान तरह से लोगों के अधिकारों का कारण देखना है कि हमें उन्नति की दीर्घकालिक रणनीति और अपने काम करने के लिू दुःख को बढ़ा सकता है। ता करने में हमें इसे कार्य करना है जैसे कि ये चौबीस हज़रत जीवन में बढ़ते हुए स्वच्छता, आत्मनिर्भर, आर्थिक, वाणिज्य, विज्ञान, प्रौद्योगिकी एवं प्रौद्योगिकी अनुसरण किया जाए।

27 जुलाई 2019 को CTH में एक अनुकूल बैठक का आयोजन किया गया जिसमें रॉटाइंग और मान्यता के प्रदर्शन शामिल थे। श्रीकृष्ण जी, कार्यकारी निदेशक, सीएचटी ने A9 अनुकूल बैठक के लिए NDR और HCC के प्रमुखों की अंशभागी हुए।
एफसीसी और एससायस्य पर एसएमएम

एफसीसी एवं एससायस्स पर 48वें प्रीमियर 29 जून 2019 के दौरान नागरिक एसएमए फुटबॉल, जानापुर में आयोजित किया गया था। एफसीसी, एससायस्स, एफसीसीसुंदर, गोवीन्दसूरों, पौडवाल, बीजापुर नागरिक की क्रिकेट टीमों के द्वारा 50 गेम में मुकामशास्त्री मैदानों और एससायस्स में आयोजित प्रतियोगिता के दौरान बल्लो उत्साहित और गरीब कम्युनिटी गार्टन Grace Worley Comprimo और BASF ने एफसीसी से गर्व व्यक्त किया।

हिंदी प्राचीन ग्रहण समाहरण

हिंदी प्राचीन ग्रहण सम्पन्न 2–16 सितंबर 2019 के दौरान किया गया था। विभिन्न स्थानों के दौरान रहस्य-हिंदी में विभिन्न क्रिकेट प्रतियोगिताओं का आयोजन किया गया और सभी अधिकारियों द्वारा उत्साहित मार्ग दिया गया।

'व्यक्तित्व ही सेवा' अभियान

MoP&NG के मंत्री द्वारा अनुसूचित स्वास्थ्य के ही सेवा अभियान 11 सितंबर से 2 जनवरी 2019 (प्रतिवर्षी मात्र) की CHF में संयुक्त रूप से जारी किया गया। इस कार्यक्रम में शामिल एवं उद्यमों के लिए एक वित्तीय प्रशिक्षण कार्यक्रम शामिल है।

13 अगस्त 2019 को, पौडवाल इंकार सिंह ने हिंदी भाषा उपयोग के लिए सम्बन्धित पहेली पढ़ने का दिन प्रदान किया था। यह दिन बैठक में गैर-समर्थकों के साथ में हिंदी भाषा के प्रचार और समर्थन के माध्यम से मुद्दों को आलोचना के लिए उपयोगिता के लिए मूल्यांकन का अहम अंश बना।

मूल्यांकन आयोजित किया गया था। यह दिन, मुद्दों के लिए विभिन्न समाज के सदस्यों के माध्यम से मुद्दा को समझौता के लिए मार्गदर्शन का हिस्सा बना।

फिफा दृष्टि से प्रशिक्षण के लिए यथार्थता अभियान

14 अगस्त 2019 को चलन में एक बैठक आयोजित किया गया था। यह दिन, IIOC, MRPL, BPCL, BORL तथा लांँचीनी लांचीनी का द्वारा विशेष दर्शन का जारी किया गया। इसमें शामिल थे जी राम, फुटबॉल टीमों से प्रशिक्षण के लिए मुद्दा को समझौता के लिए मार्गदर्शन का हिस्सा बना।
From the desk of the Executive Director

This 3rd bi-monthly CHT E-Newsletter comes with lots of festivities which signify victory of good over evil. All of us so longingly wait for the arrival of festivals which help to renew our energies and re dedicate ourselves to our work goals. I wish these festivals bring happiness, cheer, hope, optimism, celebrations, lights, joy, cooperation and many more pleasant things in our lives.

It gives me immense pleasure to announce the 24th Refining & Petrochemicals Technology Meet (RPTM) scheduled on 19-21 January 2020 at Bengaluru. During the period August-September 2019, many important meetings were held viz. 37th Governing Council Meeting, 86th SAC meeting, Readiness of OMCs in BS-VI implementation, Water Consumption Reduction in refineries, Knowledge Sharing Workshop, ACM-FCC& SRU.

‘Hindi Pakhwa’ & ‘Swachhata hi Seva’ were also celebrated wherein various activities were undertaken by CHT to mark the fortnightly celebrations. During this period, Swachhata Pakhwa Awards were presented by Shri Dharmendra Pradhan, Hon’ble Minister, Ministry of Petroleum & Natural Gas and Steel, Govt. of India. I congratulate all the prize winners.

In the end, I am signing off requesting you to participate in the forthcoming 24th RPTM in large numbers and make it a grand success.

(K.K. Jain)
Executive Director

Shri Dharmendra Pradhan, Hon’ble Minister, Ministry of Petroleum & Natural Gas and Steel, Govt. of India, presents the Awards for Swachhata Pakhwa & Inter-Refinery Competitions on Swachhata Initiatives.

Shri Dharmendra Pradhan, Hon’ble Minister of Petroleum and Natural Gas & Steel, Govt. of India, presented the Swachhata Pakhwa Awards - 2019 on 16th Sept. 2019 in presence of senior Ministry officials, to BPCL (1st Prize), ONGC Limited (2nd Prize), IOCL (3rd Prize) and PPAC (highly commendable). Swachhata Pakhwa Fortnight allotted to MoP&NG by Ministry of Drinking Water & Sanitation (MoDWS) was from 1st-15th July, 2019. To rank CPSEs / attached Offices under MoP&NG, Swachhata Pakhwa Awards are awarded for exemplary performance during the Swachhata Pakhwa Fortnight not only within the organisation but also outside the organisation w.r.t. innovation / creative activities & initiatives, Infrastructure, Waste Segregation & Disposals, Tree Plantation, Cleanliness Drives etc.

Hon’ble Minister also presented Inter-Refinery Swachhata Ranking Awards 2018-19 to Mumbai Refinery, BPCL (1st Prize), Panipat Refinery, IOCL & Bhatinda Refinery, HML Jointly (2nd Prize) and Bina Refinery, BORL (3rd Prize). Swachhata Ranking of CPSE Refineries was initiated by MoP&NG in 2017 based on Swachhata Index developed by CHT. Total 18 refineries were divided into three Groups and the top two refineries from each group were shortlisted for final round.

Scientific Advisory Committee Meeting

86th Meeting of the Scientific Advisory Committee (SAC) on Hydrocarbons of MoP&NG was held at SCOPE Complex, Lodhi Road, New Delhi on 16th August’ 19 under the Chairmanship of Dr. Anil Kakodkhar.

Shri K.K. Jain, ED, CHT welcomed Dr. Anil Kakodkhar Chairman, SAC and Shri Sunil Kumar, Jt. Secy. (R), MoP&NG, and other members of SAC as well as special invitees from concerned Ministries/ Departments. The meeting of SAC was convened to discuss the issues/points raised by Committee Members of PM Ji-VAN Yojana on the draft Request for Selection (RFS) and seek direction from SAC to finalise RFS document. SAC also had detailed review of the on-going R&D and HCF projects.

Readiness of OMCs in BS-VI implementation

A follow-up meeting was held on 27th September 2019 at CHT involving representatives from Refining and Marketing. Shri K.K. Jain, Executive Director, CHT welcomed Shri Sushil Williams, Deputy Secretary (Refineries), MoP&NG and the representatives from the industry and emphasized on timely rollout of BS-VI fuels in the country.

The 37th Meeting of the Governing Council of CHT was held under the Chairmanship of Dr. M.M. Kuty, Secretary, P&NG, Govt. of India on 8th August 19 at Conference Room, MoP&NG, Shastri Bhawan, New Delhi. The meeting was attended by GC members from MoP&NG, viz., JS (M), JS(R), Director (IFD), DS (R), and Secretary, OIDB; Chairman, IOCL; CMD – BPCL / HPCL / EIL, MD – MRPL / CPCL / NRL, Director – EIL / GAIL / IIP. Shri K.K. Jain, ED, CHT, made a detailed presentation on the progress and status of various activities / initiatives taken up by CHT since the last GC meeting. The presentation covered the Refinery Performance Improvement Programme (RPIP) of PSU Refineries, Performance Benchmarking of PSU Refineries & Pipelines, MBN roadmap 2030, Maximization of Grid Power & Green Power intake at PSU Refineries, Development of Water Consumption Norms and Reduction of Water Footprint, Strategy for implementation of BS-VI fuel supply, Activities of Scientific Advisory Committee, Pradhan Mantri Ji-VAN Yojana & High Level Committee (HLC) Recommendations related to CHT. GC approved two projects for funding under HCF & CHT budget. GC was also briefed about other activities/projects approved by Executive Committee of CHT.
In pursuit of CHT objectives to share information and new innovative technologies in the downstream hydrocarbon sector, Knowledge Sharing Workshop was conducted at CHT on 12th Sept. 2019. Dr. J.L. Raina, Ex-CMD, IOBL was invited as Chief Guest and was given a warm welcome by Shri K.K. Jain, ED, CHT.

While interacting with CHT officials, Dr. Raina shared his vast experience in the Oil Industry. He also highlighted the importance of adopting key attributes viz. self-commitment, integrity, team cohesiveness, leadership & inclusiveness in ones’ job. He urged all the officials to have strong work ethics and dedicate all efforts to achieve CHT goals.

Water Consumption Reduction in refineries

“Water scarcity” is going to be a serious issue and refinery operations may get interrupted as the same may not be available for industrial purposes unless refineries put in extra effort to reduce the Fresh water intake. On 3-4 September 2019, a meeting comprising senior members of all the PSU refineries along with the entire team of EIL and CHT was held where a detailed deliberation on “Water consumption reduction” initiatives were discussed.

Based on the two day meeting, a matrix of short and long term water conservation measures were identified for each refinery. Based on the matrix, refineries shall monitor the implementation of the schemes and projects in a time bound manner.

Issues with intake of Grid Power

On 13th August 2019, the sub-Committee formed to discuss the issues related to grid power import in PSU refineries met and deliberated at length, the challenges being faced by the refineries with respect to high cross subsidy charges, wheeling charges, reliability etc. The meeting was attended by representatives from PTC along with senior refinery representatives and CHT. PTC updated the developments on various issues in the last one year while the refineries provided an update on the reliability issues being faced. Based on the inputs received, a detailed note highlighting the major areas of concern in power import along with assistance required has been prepared by CHT and forwarded to MoP&NG.

Academic Programme

The 46th ACM on FCC & SRU was held at Nayara Energy Limited, Jamnagar, during 29-30 August’19. Total 85 delegates from refineries of IOCL, BPCL, HPCL, MRPL, HMLEL, CPCIL, BORL, Nayara Energy; R&D centres of BPCL & HPCL, CSIR-IIP, EIL; and private companies viz. Grace, Worley Comprimo & BASF participated in the ACM.

Shri S.S. Maji, Head – Technical, Nayara Energy & Shri P. Raman, Director, CHT inaugurated the Meet and Shri Sanyasirao Buddhana, GM – Technical Services convened the Meet.

Inter Laboratory Correlation Programme (ILCP) for BS-VI fuels

CHT is coordinating for ILCP programme for BS-VI fuels in NCR region wherein samples from terminals of IOC (Bijwasan), HPC (Tirikikal) and BPC (Bijwasan) were collected and sent to different laboratories for checking the consistency and reliability in testing of critical parameters. The program is at an advanced stage and is expected to be completed by Oct’19.

Development of Process Scheme for Reference Fuel

Work Order was awarded to M/s Engineers India Ltd., along with IOC-R&D for “Development of Process Scheme for Reference Fuel” on 4th September 2019. Identification of Refinery streams for manufacture of Reference fuel is in progress and upon identification of the same, a Kick off meeting will be conducted to start the project. The project is expected to be complete in 26 weeks from the KOM.

Hindi Pakhwada Celebrations

Hindi Pakhwada was organized at CHT from 2nd -16th Sept. 2019. During the fortnight various competitions in Rajbhasha- Hindi were conducted and officials participated enthusiastically. Smt. Usha Binjola, Joint Director (Official Language) MoP&NG was the Chief Guest for the Closing ceremony which was held on 16th Sept. 2019.

The Chief Guest encouraged all officials to use Rajbhasha - Hindi in their day-to-day working as much as possible. Prizes were presented to the winners by the Smt. Usha Binjola. Shri K.K. Jain, ED, CHT also congratulated the winners and announced the conclusion of the Hindi fortnight.

‘Swachhata Hi Sewa’ - Campaign

The ‘Swachhata Hi Sewa’ campaign was launched in CHT from 11th September to 2nd October 2019 (Gandhi Jayanti) as per the directions of the MoP&NG. Banners with the message to Ban ‘Single-Use Plastic’ were displayed in the premises and many activities were also carried out by the office during this period viz.:

1. Swachhata Oath by all CHT officials
2. Collected plastic bottles, plastic bags etc. from the areas around the OIDB Building.
3. Walkathon was organized in nearby areas to spread the message of non-use of ‘Single use Plastic’ on 27.09.19

Mr. K.K. Jain, Executive Director, CHT and other CHT employees carried out a cleanliness drive on the OIDB campus on 2 October 2019, on the occasion of ‘Swachhata Hi Sewa’.

Feasibility Study for Production of Ethanol from Refinery Offgases

A meeting was held at CHT on 14th August 2019 comprising representatives from IOCL, MRPL, BPCL, BORL along with representatives from LanzaTech (LT) to check the preparedness for the award of work for the subject feasibility study and to take the study forward.
