

No.: CHT/ED/06/2101

04.12.2019

**Sub: Lok Sabha Starred Question: No. 300 to be answered on 09.12.2019 regarding investment in Oil exploration**

**Q (b) the steps taken to check the quantity of petcoke produced from crude oil; and**

Ans (b) PPAC collects the month-wise as well as annual data on quantity of petcoke produced from Crude Oil from Indian Refineries and the same is available in PPAC website. The annualized data is published in PPAC Ready Reckoner.

**Q (c) the details of measures taken for the disposal of emission of petcoke in the environment considering the health and environmental threat it poses?**

Ans (c) As per order of Hon'ble Supreme Court, Use of Petcoke is allowed only for 4 categories of industries – Cement, Lime, Carbide and Gasification as feedstock equipped with proper mitigation measures and is banned for use as fuel in furnaces.
