

No.: CHT/ED/06/LS(2021)-1

08.07.2021

**Sub: Lok Sabha D. No: 47 to be answered on 19.07.2021 regarding Refineries**

**Q (a) The number of Refineries presently operating in the public and private sectors in the country.**

**Reply:** At present, 22 refineries are in operation out of total 23 numbers of Oil Refineries in the country (19 are in Public Sector, 3 are in Private Sector and 1 is in JV). Details are given in Annexure-1. One refinery in Public sector was not operational on account of expansion from 1 MMTPA to 9 MMTPA.

**Q (b) The quantum of increase in production of Natural gas during the last five years in the country.**

**Reply:** Inputs may be obtained from PPAC.

**Q (b) The details regarding the scope for starting production in Barmer Refinery of Rajasthan?**

**Reply:** Project presently under execution with physical progress of 28.3% as of 30<sup>th</sup> June 2021. Mechanical completion of the Grass root Refinery cum petrochemical complex by March 2024.

(Inputs received from HPCL)
